## Entomological Society of Canada Postgraduate Awards

### **Objective**

The Entomological Society of Canada offers two postgraduate awards of \$2,000 each annually to assist students in study and research leading to a postgraduate degree in entomology. The postgraduate awards will be made on the basis of high scholastic achievement. The Society will normally award one scholarship to a M.Sc. student and one to a Ph.D. student.

### **Deadline**

16 February 2010

### **Eligibility**

The applicant must be a postgraduate student enrolled at a Canadian university and their studies and research must be carried out at a Canadian university. A student who was unable to gain admission or enters graduate school as a qualifying candidate is not eligible to receive an award.

### **See instructions for applications and evaluation procedures**
